

## What does a missionary Look Like!?!?

Debbie Mallory has been helping out at St. Luke's for as long as anyone can remember! Whether helping out in the office, watching the neighborhood kids, keeping the food and furniture give-away lines in order, or working with the school children, Debbie is a friend to all. Her firm, calming presence has brought peace and calm to the Mission, and along with her sister, Charlene, she rounds out the Mallory contingent at St. Luke's!

# The Gospa House Gala!

St. Luke's Mission of Mercy has recognized an overwhelming need to provide food, shelter, and compassionate guidance to young single mothers and their children in our community. Many children and mothers reside in our homes, but a need for more intense support, training and guidance was recognized. Whether teaching how to cook, use money wisely, plan for the future, or keep a house clean, we recognize that many of our young moms have no examples to follow. When Debbie Kilgore and her committee approached Amy Betros with a desire to help build up the ministries at St. Luke's, the Gospa House Project was a natural fit!

Gospa, a beautiful title for Our Blessed Mother, originated in Medjugorje and truly embodies the guidance, warmth, and gentle voice of Our Lady. What better name for a home where love, gentle guidance, and motherhood are the focus? The Gospa House will feature a full kitchen with plenty of room to teach and cook, a community gathering space, private, spacious living quarters, and a quiet haven from the streets. Missionaries will provide guidance, counseling, and supervision as this wonderful new ministry progresses.

## We need your support!

The Gospa House Gala is the main fund-raiser for this important project. We need to sell 900 tickets to fill Samuel's Grande Manor in Clarence, NY! The proceeds of this huge event will be used to bring this wonderful project to reality.

A silent and live auction, balloons for sale with wonderful prizes inside, a delicious gourmet dinner, and many surprises are in store for those in attendance! The auctions will feature items of great value including trips, sports packages, and so much more. This will be a night to remember!

## Purchase a ticket, or sponsor a table!

Join us on this incredible night and help us to realize a dream of helping moms and children! Can't make it on the night of the event? Purchase a ticket and invite someone you love! Those who have the means are invited to sponsor a table – purchase a block of tickets and attend, or invite the Mission to fill your table! Businesses, organizations and individuals are invited to make a donation in honor of the Gospa House Project and help to bring new hope to the poorest of our community. Whether you are able to make it on the night of the event, we need everyone's support to make it happen.
