

Word from Amy and Norm

Dear Brothers and Sisters in Christ,

If you haven't been to see us lately, you should! We have been very blessed by the restoring of our church to its former glory. Although the project is not complete yet, it looks beautiful already. Many days we just look around in wonder, with tear filled eyes and thank God for His awesome goodness.

Most pressing right now though is our roof. Unfortunately, the copper was stolen off part of the roof. We had an estimate and we will replace it with aluminum. The cost will be \$7,000. We hate to ask, and we don't normally ask this of you, but if you have a few dollars to spare, please consider sending it for roof repair. You can put that right on the check so that we know where you would like the money spent. If you can help us "raise the roof" for Christ, we would be most grateful!!

In more upbeat news, the Voices Of Mercy are celebrating their tenth anniversary this year. It was on May 18th, 1997, when Dana had to cancel a concert slated to raise money for the Mission's gas bills. Who knew that what started off as a disappointment could end up being a blessing for people all over this area, in various spots in our country, and in a few other countries as well. That night we decided to give "all the Glory to God" and "praise Him in all things". We knew that the gas would be shut off but we decided to praise Him anyway. That night the Voices began as a way to entertain the people who had showed up, and they have been using their gifts to glorify God ever since!! To say that many hundreds of lives have been changed through this ministry is not an exaggeration!!

So come and celebrate with us, Friday, May 18th at 7:30pm. The concert will be at St. Amelia's and the tickets are \$10 per person. Tickets will be on sale starting in March; please call 894-4476 for more information. You won't want to miss this night as we are sure it will be a grace-filled time. We look forward to seeing you all there!

Until then may God bless you and your families!

In His Mercy,
Amy and Norm

St. Luke's Approaches 100th anniversary!

100 years of praise and worship under the title of St. Luke's! Though the parish was sold, the Holy Spirit did not abandon his people. St. Luke's became St. Luke's Mission of Mercy! As the 100th anniversary of the founding of the St. Luke's in 2008 fast approaches, the restoration of the church has begun in earnest. The entrances, side chapels, the Divine Mercy Icon, and the former Baptistry have already been completed. Come and see!

How can you help?

We are preparing a full-color mailing with before and after pictures, historical points of interest, and sponsorship opportunities for those who would like to participate in this important restoration. To prepare this mailing we need your help! Call today to advertise your business, personal well wishes, school, church or organization in our booklet. Your ad will reach thousands, and will help us to restore our beautiful church to its full glory!

Please call Dave Marciniak today at 880-5981

Come and see!
