Volunteers descend on St. Luke's for Thanksgiving and Christmas

Two young volunteers from the Amherst Hockey Club join the "assembly line" and pass a bag of groceries in preparation for our annual Christmas Food Giveaway. Several hundred volunteers from all over Western New York descended upon St. Luke's for both our Christmas and Thanksgiving food packing as well as to assist with the wrapping and distribution of Christmas gifts to the children and families of our community. Their enthusiasm was contagious! (photos on page 10 & 11)

Thank you for helping us fill hungry bellies!

In the last newsletter we asked you to consider sponsoring a week of food in our dining room and the response was simply wonderful! Donors stepped up to the plate and provided the funds for ten weeks of food for those who seek nourishment at St. Luke's. These generous donors (who wish to remain anonymous) put up \$1500 dollars a week to help us cover the costs of food for the three to six hundred men, women and children we feed each day. Our deepest gratitude and continuing prayers go out to those who have so selflessly given! (See page 9 for more details)

DIVINE MERCY NOVENA

Begins on Good Friday (March 21st) at 7PM

Join us each evening of the Novena, or stop in when you can...either way, the graces our Lord offers will fill your heart with joy and firmly entrench the words that our Lord asks us to intone: Jesus, I Trust in You.

(See page 4 for details)
