

What does the C.I.A want with St. Luke's?!?

No, we don't mean the Central Intelligence Agency...Churches In Action, an organization of churches primarily located in the Southtowns, has long been a friend to the Mission. Whether painting, repairing, planting or packing, the members of this wonderful group have worked side by side with the missionaries and volunteers to make an impact on the lives of the men, women and children of our community. The hours and resources given by the C.I.A. could never be measured! This time, though, they really outdid themselves!

For many years we have been recognizing a growing need to feed the people of our community. We have reported in this newsletter that the number of individuals coming for meals daily has increased exponentially; just last month we reached a new milestone when we served over 700 in

one day. The need continues to grow, and the C.I.A. took that need to heart.

On Tuesday, August 12th, St. Luke's Mission of Mercy unveiled the \$150,000.00 renovation of the kitchen and dining room, a renovation financed and completed by the generosity of the C.I.A. This amazing group of men and women gave their time and talents to complete in just a few weeks a transformation that has already had an enormous impact on the lives of our people. With the installation

of appliances and features that allow us to serve our people much more efficiently, walk-in coolers and freezers, and an updated, clean dining room, we are now prepared to grow with our community as need increases. Best of all, the kitchen boasts a new exhaust system that keeps the air cool and clean!

None of this would have happened without the good people of the C.I.A. Our deepest thanks to

all involved; your efforts have made a difference in the lives of all of us!

IN MEMORIAM

The Corporal Works of Mercy include the call to bury the dead. At St. Luke's we have been called to perform this work of mercy several times over the past month. We have lost friends, relatives, residents, and benefactors who have made impacts on the lives of our community. Please join us in prayer for the members of the St. Luke's community who have gone home to the Lord.
